## Eintopf

A collection of musical notation for the piece 'Eintopf'. The notation is arranged in 15 horizontal rows. Each row contains a sequence of symbols: vertical lines, horizontal lines, and various geometric shapes (circles, squares, triangles) with internal patterns. Some symbols are accompanied by small numbers (1, 2) and arrows, indicating rhythmic values and directions. The notation is a form of shorthand for musical notes and rests, typical of early manuscript notation.
